For students of the Master

President	Prof. C. Krois
Vice President	Prof. A. Metzner-Szigeth
Member	Prof. S. Ugur Yavuz
Substitute	dr. J. Schubert

Criteria and selection procedures

The Commission will prepare a general list and several rankings divided by destination, considering the following criteria:

a) **Portfolio (max. 35 points):**

The following will be assessed: quality of work and compatibility with the partner university.

b) **Average mark (max. 20 points)**

c) **"Proposal of Learning Activities to carry out abroad" - (max. 45 points):**

The student must submit a Proposal of Learning Activities in English stating the reasons for the choice and possibly the courses he/she would like to take at the partner university (see the relevant sections in the online application form).

Students are required to write a project for study indicating the courses they would like to take at the partner university and a short letter of motivation in English (see Proposal of learning activities to carry out abroad form).

The following will be assessed:

- potential for own further development;
- general motivation for choosing the partner university.

Students must achieve at least **55 points out of 100** to be included in the ranking.

If the total number of points is the same, priority will be given in the following order:

1. the score obtained for the "Proposal of learning activities to carry out abroad";
2. the score achieved in the portfolio;
3. the higher average mark;
4. only in the case of another tie, the youngest applicant will have priority.

In case of agreements open for students of the Bachelor in Design and Art and for students of the Master in Eco-Social Design, priority is given to students of the Master in Eco-Social Design (resolution 78/2018).

Student's Citizenship: if the country of citizenship coincides with the country of the chosen university limited to this choice - the student will be placed on the ranking after students whose nationality does not coincide.
