Criteria and selection procedures

The Commission will prepare a general list and several rankings divided by destination, on the basis of the following criteria:

- Curricular credits - 10 points**
Ratio between gained and registered credits and the total credits of the degree course, registered by **10 March 2022**.
For students enrolled in the one cycle Master degree the enrollment in the 3-year period/2-year period is taken into account
- Average mark - 10 points**
- "Proposal of Learning Activities to carry out abroad" - 10 points**
The student must complete, in one of the three official languages a "Proposal of Learning Activities to carry out abroad" indicating the reasons for his/her choice and, if applicable, the courses he/she intends to attend at the partner institutions (see the relevant sections in the online application form).

Students must achieve at least **10 points out of 30** to be included in the ranking.

In case of a repeated equal score, the candidate with the highest average mark will have the priority.
In case of an equal score, the younger candidate will have the priority.

Student's Citizenship: if the country of citizenship coincides with the country of the chosen university limited to this choice - the student will be placed on the ranking after students whose nationality does not coincide.
