

22.2 Master in Eco-Social Design

Thesis Summer session 2022

The topic for the thesis has to be submitted and approved by the first supervisor in consultation with the second supervisor through the digital platform provided by unibz (Cockpit) by **3rd March 2022 (23.59 hours)**.

It is advisable to contact the supervisor and second supervisor with sufficient time before the deadline for the submission of the topic.

Presentation of the thesis project and exam of the summer session:
Thursday 14th and/or Friday 15th July 2022

First supervisors for the Summer session 22.2 can be the following:

- Tenured Professors of the Master in Eco-Social Design

Kris Krois, Aart van Bezooijen, Secil Ugur Yavuz, Andreas Metzner-Szigeth, Elisabeth Tauber, Letizia Bollini.

- Researchers with a fixed-term contract of the Master in Eco-Social Design

Jennifer Schubert.

- Professors of the Master in Eco-Social Design who are project leaders

Karl Emilio Pircher, Amy Franceschini, David Calas, Matteo Moretti.

Second supervisors can be: Professors or Researchers of the Faculty; Contract Teachers of the Faculty; Professors and Researchers of other Faculties of the Free University of Bozen-Bolzano and national or international Universities or Research Institutions; experts with proven professional experience with prior approval by the Study Course Director.

PLEASE NOTE:

If the first supervisor is a design practitioner, it is recommended to have a second supervisor with design research experience or from social sciences or economics (as taught in the area Observe, Analyse & Apply). In case the first supervisor is a design researcher, it makes more sense to choose a design practitioner as second supervisor.
