**Second supervisors** can be: Professors or Researchers of the Faculty; Contract Teachers of the Faculty; Professors and Researchers of other Faculties of the Free University of Bozen-Bolzano and national or international Universities or Research Institutions; experts with proven professional experience with prior approval by the Study Course Director.

**PLEASE NOTE:**

If the first supervisor is a design practitioner, it is recommended to have a second supervisor with design research experience or from social sciences or economics (as taught in the area Observe, Analyse & Apply). In case the first supervisor is a design researcher, it makes more sense to choose a design practitioner as second supervisor.
