

## **ADMINISTRATIVE GUIDELINES FOR THE FINAL THESIS**

**of the**

### **Master in Environmental Management of Mountain Areas**

For the Master thesis, students are allocated to supervisors from both partner institutions: One supervisor should be of the Free University of Bozen-Bolzano and the other supervisor should be of the University Innsbruck.

The deadlines of the Master Thesis depends on the allocation of the 1<sup>st</sup> supervisor.

Example:

- the 1<sup>st</sup> supervisor is from the UNIBZ and the second from the IBK:  
the student must follow the regulation and deadlines of the UNIBZ.
- The 1<sup>st</sup> supervisor is from the IBK and the second from the UNIBZ:  
the student must follow the regulation and deadlines of the IBK.

Information about the deadlines at the UNIBZ are available at the following link:

<https://guide.unibz.it/en/graduation/agricultural-environmental-food-sciences/master-final-exam/>

<https://www.unibz.it/en/faculties/agricultural-environmental-food-sciences/master-environmental-management-mountain-areas/>

Information about the deadlines at the UIBK are available at the following

link: <http://www.uibk.ac.at/studium/angebot/ma-emma/index.html.en>

The defence of the thesis is organized according to the regulations of the university where the defence takes place.

The defence committee is composed by three representatives from both universities.

### **Attention:**

The students are requested to send a copy of the form "Bekanntgabe des Themas und der Betreuerinnen/ Betreuer der Masterarbeit at the faculty secretariat unibz.
