<https://cockpit.scientificnet.org/pages/settings/student/personaldetails.aspx>).

Applications must be sent by 20 November 2023, 12.00 midnight.

Art. 5 Ranking lists

In order to form the ranking list for every area of activity according to art. 2 of the present advertisement, the performance criteria will be considered in descending order and, where required, the result of the interview will be taken into consideration.

(1) For first year students of the master programmes (2 years) the final graduation mark of their Bachelor's degree will be considered. If a student graduated abroad, the average final graduation mark of 101/110 will be used (AlmaLaurea Data 2023).

The calculation is carried out according to the following formula:

$$\frac{\text{Final Bachelor's graduation mark of the student} - \text{minimum}}{\text{maximum} - \text{minimum}}$$

(2) For all other students the number of credit points achieved as of 31 October 2023 will be considered:

The calculation is carried out according to the following formula:

$$\frac{\text{Number of credit points of the student} - \text{minimum}}{\text{maximum} - \text{minimum}}$$

Bachelor programmes:

Enrolment year	maximum	minimum
2	60	24
3	120	48
1st year "fuori corso"	180	72

Master programmes (2 years):

Enrolment year	maximum	minimum
1	Final graduation mark bachelor: 110 cum laude/110 (=111)	Final graduation mark bachelor: 66/110 (=66)
2	60	24
1st year "fuori corso"	120	48

Master programmes (5 years):

Enrolment year	maximum	minimum
2	60	24
3	120	48
4	180	72
5	240	96
1st year "fuori corso"	300	120

(3) In the event of two or more applicants having the same final graduation mark (first year students of master programmes) or the same number of ECTS credit points (for all other students), the grade average will be considered.

For this purpose, first year students of the master programmes (2 years) must specify in their application their average grade (expressed in thirtieths) as calculated by their university of origin. If the Bachelor's degree was obtained abroad, the student must also upload a grading scale showing the lowest positive and the highest possible grading. If the average grade is not given and/or the grading scale is missing, the student will automatically be excluded from the procedure. In the event of inaccurate or erroneous information, the student may be excluded from the procedure.

(4) In the event of further equivalence of value, students who have greater financial hardship will be placed higher. According to the Prime Ministerial Decree of 30.04.1997 (Art. 3) the students' financial

situations will be ascertained based on the nature and amount of income they have, their assets and how many family members they have. In this case these students will be asked to submit a specific self-declaration following D.P.R. n. 445/2000 in addition to the application form.

For the issue of the ISEE (Italian acronym for "Indicatore della Situazione Economica Equivalente", i.e. Equivalent Financial Position Indicator) students have to contact a Tax Advice Centre (CAF). For a better execution, the ISEE form (concerning your financial situation) can be requested before the ending of this call. Failure to send it within the time limits according to Article 4 will result in exclusion from the ranking on the basis of equal marks and average marks.

(5) According to the Prime Ministerial Decree of 30.04.1997 (Art. 1 co. 3) students who are entitled to a grant but have not received one from the Autonomous Province of South Tyrol come first. For these students a separate ranking list has to be published.

The ranking lists will be published on the official unibz e-notice board (<http://records.unibz.it/ADP/albo-online-lub-published.aspx>) and will be valid for the year 2024. Any requests for revision of the ranking list can be presented to the Evaluation committee within 10 days of the publication of the rank list.

Art. 6
Assignment of working places for the area
'Student Ambassador and support to the Student Support team'

Students who have applied for the above mentioned area (art. 2, point i) will be asked to take part in an interview with an evaluation committee on 27th, 28th and/or 29th November 2023.

Interviews will take place via video call (Microsoft Teams) and only exceptionally in presence in unibz.

Each faculty will receive a limited number of student ambassadors as follows:

- Faculty of Economics and Management: 9
- Faculty of Design and Art: 5
- Faculty of Education: 4
- Faculty of Agricultural, Environmental and Food Sciences: 4
- Faculty of Engineering: 3

In the event that not all the positions can be covered due to a lack of suitable applicants, the remaining positions will be given to the applicants from other faculties.

In order to ascertain their suitability, the committee will establish and apply certain criteria.

The jobs will be assigned according to the ranking list, which is based on the performance criteria according to art. 5 and on the results of the interviews.

Students who do not attend the interview or who are not deemed suitable are not given a position as "Student Ambassador and support to the Student Support team".

Once employed, students are required to follow a training course with a duration of maximum 6 hours that can be split into different days and that takes place in Bozen-Bolzano. The training hours are recognised as working hours.

Art. 7

Allocation und assignment of jobs

The Personnel Office for Administrative Staff informs the students admitted through the ranking list via e-mail to their institutional unibz e-mail address to which area or office they have been allocated. The students have to accept the job offer by the date indicated in the e-mail. If the Personnel Office for Administrative Staff does not receive any written communication, this will be considered as rejection and, consequently, the position will be offered to the next person on the ranking list.

The positions will be allocated on the basis of ranking lists.

Art. 8

Evaluation committees

Every evaluation committee is composed of three members as follows:

Committee for activities with interview:

- the Head of the Advisory Service;
- another representative of the Advisory Service;
- a representative of the Career Service;

Committee for activities without interview:

- a representative of the Personnel Office for Administrative Staff;
- a representative of the Personnel Office for Academic Staff;
- a representative of the Press and Event Management.

If a member of the committee should be absent or prevented from attending, replacement members will be nominated.

Art. 9

Disclosure of Violations – Whistleblowing

In accordance with the provisions of the legislative decree of 10 March 2023, no. 24, unibz set up a procedure for the processing of the disclosure of violations (so-called "whistleblowing"). The term "whistleblower" refers to a natural person who reports any kind of information about violations acquired in the context of his or her work activities. Detailed information about the processing of the disclosures, the sending of information and the processing and storage of personal data can be found at the following website: <https://www.unibz.it/it/legal/amministrazione-trasparente/altri-contenuti/>

Art. 10

Final provisions

For any further consideration that is not expressly written in this call, reference should be made to the regulations as per Legislative Decree no. 68 of 29/03/2012 and to the Regulations concerning students working for the University approved by the University Council on 27/10/2023.
