ADMISSION REQUIREMENTS

You are eligible to enrol for the Bachelor if you possess one of the following qualifications:

- leaving qualifications (A-levels or equivalent) from a five-year secondary school course
- leaving qualifications from a four-year high school course, with or without a certificate certifying that you have successfully completed a one-year complementary course; in the event there is no certificate, the evaluation committee reserves the right to evaluate your overall preparation and to allot debit points that will need to be eliminated by the end of your first year of study
- university degree (regardless of the secondary school leaving qualification owned) (Law nr. 910/1969 art. 1)
- qualifications equivalent to those in points a), b) and c).

If you have foreign qualifications, you are eligible to apply for this bachelor degree course if your qualifications are equivalent to the Italian secondary-school qualifications and were achieved after 12 years of school. If the qualifications were gained after fewer than 12 years, the Ministry's provisions will be applied. If in your own country a probation test for the entry at an university is required, you will have to prove that you have passed it. The Ministry of Education, University and Research provides special admission requirements for holders of certain qualifications (American high school diplomas, British qualifications, Greek qualifications).

Concurrent enrolment at several universities or in several courses at the same university is not allowed.

Concurrent enrolment at universities and at higher education institutions for music and dance (e.g., music academy) is on the contrary allowed under specific conditions (Ministerial Decree 28.09.2011; further information is available from the Student secretariat).

LANGUAGE PROFICIENCY

The official teaching languages are **Italian, German and English**, and the following language requirements apply:

LANGUAGE	MINIMUM ENTRY LEVEL	AFTER ONE YEAR	MINIMUM EXIT LEVEL
1st language	B2	- - -	C1
2nd language	B2	- - -	B2+
3rd language	- - -	B1	B2

If you are not able to certify the above-indicated entry level, you cannot be admitted. By the end of your first year, you must have certified B1 level of proficiency in your third language. By the end of your undergraduate degree, you must be able to demonstrate the above-indicated language levels.

The six levels of the Common European Framework of Reference are:

A1-A2: Basic Users

B1-B2: Independent Users

C1-C2: Proficient Users.

Please note: Non-EU citizens resident abroad must also sit a separate Italian language test before they can enrol. Further information is available on the University's website www.unibz.it > Prospective students.

HOW TO DEMONSTRATE LANGUAGE PROFICIENCY

You must first log in to the portal available at www.unibz.it.

Once registered, you can:

- upload your language certificates
- enrol to do the language assessment tests offered by the Language Centre
- fill in the application form
- update your personal data.

Language proficiency can be demonstrated in the following ways:

- a) holding secondary school leaving qualifications (A-levels, Abitur, Maturità, etc.), where the main teaching language of the final year was in one of the official teaching languages of the undergraduate degree course (level C1). If these qualifications were obtained in one of the trilingual secondary schools in the Ladin valleys of South Tyrol, they will be accepted as demonstrating proficiency in both German and Italian (level B2);
- b) holding an undergraduate or postgraduate degree if awarded in one of the three teaching languages of the degree course, or holding a bilingual or trilingual undergraduate or postgraduate degree awarded by the Free University of Bozen - Bolzano*;
- c) presenting, for the relevant languages, a recognised qualification or certificate (see www.unibz.it > [Language Centre](#)); before uploading a certificate please check in advance if the certificate appears on the list of the recognised language certificates. You might send your certificates also to the Language Centre - via email in pdf format – or hand them in in person. The language certificates can be handed in during the following periods: 10.03.-30.04.2014 (first session); 20.05.-09.07.2014 and 31.07.-19.08.2014 (second session);
- d) passing a language test organised by the Language Centre of the Free University of Bozen - Bolzano. Enrolment for these test is done online through the application form:
 - o **9, 10 April 2014** (enrolment from 10.03. to 04.04.2014)
 - o **7, 8, 9 May 2014** (enrolment from 05.04. to 30.04.2014)
 - o **15, 16 July 2014** (enrolment from 01.05. to 09.07.2014)
 - o **21, 22 August 2014** (enrolment from 10.07. to 19.08.2014).

Applicants for the first session can sit the language tests on the first two dates. Applicants for the second session can sit the language tests on all four dates available. Results will be available immediately after the tests.

Please note: in case your final title has been awarded by an Italian public establishment, certificates and diplomas must be substituted by self-declarations. False declarations have consequences punishable by law and lead to the candidate's exclusion from the admission procedure.

The Language Centre offers, during the summer, **language courses** for beginners and preparatory courses for B2 level. See the webpages of the Language Centre for details about deadlines, costs and dates.

During the first year:

If you do not manage to certify B1 level in your third language before starting your studies, during your first year you can attend a language course that aims to prepare you for the B1 test at the Language Centre of the Free University of Bozen - Bolzano. Credit points are not available for attendance of these courses.

At the end of the first year, students must have passed the Language Centre's B1 level test in the third language or have provided the Language Centre with one of the B1 language certificates in the table of certificates, language exams and qualifications recognised by the Language Centre (see www.unibz.it > [Language Centre](#)).

If you have not certified the necessary competence in the third language, you may enroll in the 2nd study year, but you are not allowed to take exams of the 2nd and 3rd year, nor to participate in exchange programs, do Internships and be the beneficiary of scholarships of Unibz.

() Graduates of the bilingual or trilingual Bachelor's and Master's programmes of the Free University of Bozen - Bolzano, as well as graduates of the degree course in Primary Education (Ladin section) of the Free University of Bozen - Bolzano who were not required to certify their language proficiency in the official teaching languages by the end of their studies, must in any case sit a **mandatory** language placement test, which is not part of the admission procedure, but will be used to identify candidates' language proficiency. As an alternative to sitting this test, candidates can hand in a qualification or certificate for the relevant languages, as per letter c).*

ONLINE APPLICATION

Your application is submitted online through the application portal available at www.unibz.it. You need to create an account, fill in the form online and upload the documents required as an electronic file. Through the application portal you can also upload your language certificates or register for the language exams.

Application for several courses is allowed. Prospective students excluded in the first session can apply again in the second.

Deadlines	Begin	End
1 st Session	10 March 2014	30 April 2014, 12:00 midday
2 nd Session	5 May 2014	19 August 2014, 12:00 midday

ATTACHMENTS

You should upload the required attachments in the portal. In the portal, you can visualize the status of your application and your attachments with the help of colours (e.g. missing documents will be highlighted in red).

Evaluation can then only take place on the basis of the documentation you have presented by the deadline. If your application is incomplete, you will be excluded from the admission procedure.

You have to upload:

- a passport-size colour photo;
- a photocopy of a valid identity card or passport (front/back);
- the attachments listed in the section entitled "Selection procedure";
- the declaration of equivalent value of the applicant's qualification(s) (only for applicants with a qualifications gained abroad; those not yet in possession of the declaration can submit it upon enrolment at the very latest);
- the valid permit to stay for Italy (only for non EU-citizens legally resident in Italy) – see below.

The declaration of equivalent value (for applicants with qualifications from abroad only)

If you have a qualification from abroad you must certify that your qualification would grant you entry to a similar university course in the country where you achieved this qualification.

For that reason you must:

- apply for the "dichiarazione di valore" (declaration of equivalent value) at the Italian consulate or embassy abroad (the declaration must be applied for as soon as possible since it can often require long processing times)
- deliver the declaration upon enrolment at the very latest, together with the other relevant documents.

Application by non-EU citizens

- **If you have a valid permit to stay in Italy** (see article 39, paragraph 5 of decree no. 286 of 25.07.1998: "**permesso di soggiorno**" for work, family reasons, political or humanitarian asylum, religious reasons), you apply directly to the University, as described above and must submit a copy of your valid permit to stay. A permit of stay for study reasons, or a visa for tourism, is not sufficient. If the permit deadline has expired, a renewal request must also be attached. **NB:** if you do not provide the permit for one reason or another, you will be automatically considered a non-EU citizen living abroad and therefore subject to the admission procedure through the Italian authorities acting in your country of origin.
- **If you are resident abroad**, you must carry out the **enrolment procedures both through the Italian authorities** (consulate or embassy) in your country **and directly with the University**. The deadlines imposed by the Italian Ministry of Education, Universities and Research (www.study-in-italy.it) must be respected. Should you not follow this procedure with your local Italian consulate, the application that you delivered direct to the University will be declared null and void. Please note that non EU-citizens resident abroad can apply for one course only!

SELECTION PROCEDURE

In addition to language certification and admission requirements, you must go through a selection procedure in order to be admitted to the course.

The minimum requirement for admission is obtaining 4 points. The criteria for the evaluation of the dossier are:

- up to 9 points for the curriculum;
- up to 1 point for the personal statement letter.

In the case of equal points the preference will be given to the younger student.

In the application portal, you shall:

- Insert, using self-declaration, *your marks for the subjects of your third-last and penultimate school year*. Please note: False declarations are punishable by law. Final marks of your third-last year and penultimate year of secondary school* must be self-declared in the online application form. In the event of self-declared years were concluded abroad, a copy of the relevant school report cards must be uploaded in the portal (for countries other than Austria or Germany, a document with the range of grades containing the lowest pass mark and the highest mark achievable has to be attached);
- Upload the *official translation* of your school report cards into Italian, German or English if needed;
- Upload a *personal statement letter* in format DIN A-4 of no more than 3000 characters with spaces, in which you explain why you would like to enrol for the degree programme;

(*) If you have attended a school whose system differs substantially from the Italian system and you do not have the reports with the final marks of the third-last and/or penultimate year of study of your secondary school, the Selection Committee reserves the right to evaluate the possible final reports of the secondary school that refer to years different from the penultimate or third-last.

ADMISSION RANKING LISTS

The Selection Committee will only evaluate the documentation presented by the application deadline and two admission ranking lists will be drawn up: one for EU citizens (and citizens of other countries who enjoy parity of treatment) and one for non-EU citizens resident abroad.

The ranking lists will be published on the website www.unibz.it and are only valid for the academic year for which they have been drawn up. Publication:

For the first application session, likely by 20 May 2014.

For the second application session, likely by 3 September 2014.

HOW APPLICANTS OF THE FIRST SESSION ARE GUARANTEED A PLACE ON THE COURSE

If you have been admitted in the first session and want to be guaranteed a place on the course, you must proceed as follows:

by 6th June 2014	pay the first instalment of University fees (743 €) and deliver the receipt to the Student Secretariat . <u>Please note that payment will only be accepted once the receipt has been presented personally or via e-mail - it is not enough just to make the payment).</u>
------------------------------------	--

If you do not respect this deadline, you will automatically lose your place and there will be a period where applicants for the 1st session on the waiting list will be able to enrol. If not all study places of the first session are occupied, any free places will be assigned in the 2nd session.

Please note that payment does not allow you to receive student status, which will be acquired upon enrolment in August/September. If you have a guaranteed study place but you do not enrol, there will be no refund of the University fees unless you do not pass your secondary school final exam or university final exam or, in the event of non-EU applicants resident abroad, you do not receive the necessary documents from the Italian authorities in your country.

ENROLMENT

If you are high up enough on the ranking lists to be admitted for more than one degree course, you can only enrol for one of those courses. Once you have enrolled for this course, you lose the right to enrol for another course or to move up in the ranking lists of other courses.

Languages used in teaching

In the first year, lectures are held entirely in English. Both English and German or Italian language courses are part of the curriculum.

In the second and/or third year one computer science course and one General Skills course are held in Italian and in German, respectively; all other courses are held in English. The exam is held in the official language of the course. The courses offered in Italian and German are decided yearly by the Faculty.

Teaching and learning activities

Various kinds of teaching and learning activities confer, in different ways, practical and theoretical knowledge:

- *Courses*: the lecturer teaches the subject matter of the course syllabus in regular meetings with the students.
- *Exercise and practice sessions*: regular meetings with the students accompanying Courses and Project Courses; during the exercise and practice sessions the syllabus of the subject matter is revised and/or the students independently applies the acquired knowledge under supervision of the lecturer.
- *Internship*: external activity of the 3rd year taking place in a public or private enterprise aimed at alternating study and work activity and at aiding future professional choices by means of a direct interaction with the working environment. The Internship can be done as Free Choice or linked with the thesis for the degree.
- *Projects*: activity where the students independently develop a scientific research activity under supervision of a lecturer and within the activities carried out in the Faculty. The focus is set in particular on planning, communication and teamwork skills. The Project can be done as Free Choice or linked with the thesis for the degree.

Internship or Project

Two Internships and/or Projects are planned:

- compulsory internship linked with the thesis for the degree ("Final Exam Internship") / compulsory Project linked with the thesis for the degree ("Final Exam Project")
optional internship dependent on the choice of subjects "Free choice" / optional Project dependent on the choice of subjects "Free choice"

The internships and/or Projects may not be begun before the semester in which they are planned in the curriculum. For further information, please refer to the Study Regulations of the Faculty of Computer Science.
