ADMISSION REQUIREMENTS

You are eligible to enrol for the Bachelor if you possess one of the following qualifications:

- leaving qualifications (A-levels or equivalent) from a five-year secondary school course
- leaving qualifications from a four-year high school course, with or without a certificate certifying that you have successfully completed a one-year complementary course; in the event there is no certificate, the evaluation committee reserves the right to evaluate your overall preparation and to allot debit points that will need to be eliminated by the end of your first year of study
- university degree (regardless of the secondary school leaving qualification owned) (Law nr. 910/1969 art. 1)
- qualifications equivalent to those in points a), b) and c).

If you have a foreign qualification, you are eligible to apply for this bachelor degree course if your qualifications are equivalent to the Italian secondary school qualifications and was achieved after 12 years of schooling. In this case you furthermore must have attended at least the last biennium in the foreign school system (e.g. Irish Leaving Certificate: it is not sufficient to attend one year and obtain the foreign qualification). If the qualifications were gained after fewer than 12 years, the Ministry's provisions will be applied. If in your own country a probation test for the entry at an university is required, you will have to prove that you have passed it. The Ministry of Education, University and Research provides special admission requirements for holders of certain qualifications (American high school diplomas, British qualifications, Greek qualifications). Get more information from the Student Secretariat.

Concurrent enrolment at several universities or in several courses at the same university is not allowed.

Concurrent enrolment at universities and at higher education institutions for music and dance (e.g. music academy) is on the contrary allowed under specific conditions (Ministerial Decree 28.09.2011; get more information from the Student Secretariat).

LANGUAGE REQUIREMENTS FOR ADMISSION

The official teaching languages are **Italian, German and English**.

To be admitted, you have to certify the level B2 in at least two of the teaching languages:

- B2 in English and
- B2 in Italian or German.

If you are not able to certify the above-indicated entry level, you cannot be admitted.

By the end of your first year, you must have certified B1 level of proficiency in your third language.

By the end of your undergraduate degree, you must be able to demonstrate the following levels in the three languages: **C1, C1 and B2**.

The six levels of the Common European Framework of Reference are:

A1-A2: Basic Users

B1-B2: Independent Users

C1-C2: Proficient Users.

Please note: Non-EU citizens resident abroad must also sit a separate Italian language test before they can enrol. Further information is available on the University's website

<https://www.unibz.it/en/applicants/international-applicants/bachelor-and-master-programmes/>

HOW TO DEMONSTRATE LANGUAGE PROFICIENCY

You must first log in to the portal available at <https://aws.unibz.it/exup/en>

Once registered, you can:

- upload your language certificates
- enrol to do the language assessment tests offered by the Language Centre
- fill in the application form
- update your personal data.

PROFICIENCY REQUIRED FOR ADMISSION

(LEVEL B2 IN ENGLISH AND LEVEL B2 IN ITALIAN OR GERMAN)

You can demonstrate language proficiency in the following ways:

- a) you declare, in the Application Portal, that Italian, German or English was the main teaching language in your final highschool year (corresponds to level C1). If your highschool was one of the trilingual secondary schools in the Ladin valleys of South Tyrol, this will be accepted as demonstrating proficiency in both German and Italian (corresponds to level B2 for both languages). Foreign Secondary schools only: If your secondary school-diploma explicitly mentions a certain proficiency level based on the Common European Framework of Reference (B1, B2 or C1) that you have achieved in a foreign language (German, English or Italian), we recommend that you upload your diploma under "language certificates" in the application platform, indicating the language and the level that you have achieved.
- b) you declare, in the Application Portal, to be awarded an undergraduate or postgraduate degree in Italian, German or English. Graduates of unibz, enrolled before 2011, who have not certified their language proficiency in the three languages, must sit a mandatory language placement test;
- c) you upload, in the Application Portal, a recognised certificate (see <https://www.unibz.it/en/services/language-centre/study-in-three-languages/>). If you can't upload the certificates, you can send them by e-mail as PDF files or deliver them in person to the Language Centre. The certificates can be uploaded or forwarded during the following periods:
 - o **13 March - 28 April 2017**, 12.00 midday (for applicants of the 1st and 2nd session)
 - o **18 May - 20 July 2017**, 12.00 midday (for applicants of the 2nd session)
- d) you pass a language exam organised by the Language Centre of unibz. Enrolment for these exams is done online through the application form:
 - o **16-17 March 2017** (enrolment from 22.02. to 10.03.2017) (valid for the 1st and 2nd session)
 - o **20 April 2017** (enrolment from 20.03. to 14.04.2017) (valid for the 1st and 2nd session)
 - o **6 June 2017** (enrolment from 4.05. to 25.05.2017) (valid for the 2nd session only)
 - o **10 July 2017** (enrolment from 8.06. to 4.07.2017) (valid for the 2nd session only)

If necessary, the exam sessions in April, June and July will be extended by one day and then possibly take place on 21 April, 7 June and 11 July 2017.

Results will be available immediately after the tests.

Please note: There are no language tests after the deadline for application.

Please note: in case your final title has been awarded by an Italian public establishment, certificates and diplomas must be substituted by self-declarations.

FURTHER LANGUAGE PROFICIENCY (THIRD LANGUAGE)

If you have already acquired a certain level of language competence in the third language of tuition, i.e. your weakest language, we recommend to certify these competences as described above in letters c) and d).

You can certify your competences in the third language of tuition by:

- an up-load of a valid language certificate during the same periods of time as in letter c), or by
- taking a language exam during one of the sessions listed in letter d)

If you are not able to certify your language competence in the third language of tuition and you are admitted to your studies at unibz you will have to take a placement test. You will receive an invitation to the test by e-mail. According to your actual level you will be assigned to a certain learning path so that you will be able to reach level B2 as soon as possible.

If you are an absolute beginner in the third language, or if your certifications or placement test results show a level below B2, you will be required to take a 3-week pre-semester intensive language course offered from 11 through 29 September 2017 (3 weeks = 120 hours of lessons). There will be 6 hours of lessons per day plus 2 hours of additional linguistic activities. Besides this intensive course there will be various courses throughout the academic year and during the periods that are free of other lessons and exams.

You will be accompanied throughout the whole process of language learning by the Language Centre that offers **language courses free of charge** which will help you achieve the following goals in the third language:

- Level B1 within the first year of study (without which you cannot register for the second year, nor you may take exams in that language)
- B2 level by the end of the second semester of the second year of study.

Learning path	Starting from	Course modules				Hours of lessons
Learning path 1	A0	A1.1+A1.2	A2.1+A2.2	B1.1a+B1.1b B1.1a+B1.1b	B2.1a+B2.1b B2.2a+B2.2b	480
Learning path 2	A1	A2.1+A2.2	B1.1a+B1.1b B1.1a+B1.1b	B2.1a+B2.1b B2.2a+B2.2b		400
Learning path 3	A2	B1.1a+B1.1b B1.1a+B1.1b	B2.1a+B2.1b B2.2a+B2.2b			320
Learning path 4	B1	B2.1a+B2.1b B2.2a+B2.2b				160

You will also need to reach the C1-level for your second language by the end of your studies, otherwise you won't be able to graduate. Also in this case the Language Centre will offer modular courses to help you reach the required level.

If you have not certified the necessary competence in the third language (B1), you may enrol in the 2nd study year, but you are not allowed to take exams of the 2nd and 3rd year, nor to participate in exchange programs, do Internships and be the beneficiary of scholarships of Unibz.

ONLINE APPLICATION

Your application is submitted online through the application portal available at

<https://aws.unibz.it/exup/en>

You need to create an account, fill in the form online and upload the documents required as an electronic file. Through the application portal you can also upload your language certificates or register for the language exams.

Application for several courses is allowed. Applicants excluded in the first session can apply again in the second.

Deadlines	Begin	End (term of exclusion)
1 st session	13 March 2017	28 April 2017, 12:00 midday
2 nd session	18 May 2017	20 July 2017, 12:00 midday

ATTACHMENTS

You should upload the required attachments for every selected degree course in the portal. In the portal, you can visualize the status of your application and your attachments with the help of colours (e.g. missing documents will be highlighted in red).

Evaluation can then only take place on the basis of the documentation you have uploaded in the portal by the deadline. If your application is incomplete, you will be excluded from the admission procedure.

You have to upload:

- a passport-size colour photo;
- a photocopy of a valid identity card or passport (front/back); attention: if your document is invalid, incomplete or unreadable, you will be excluded from the admission procedure;
- the attachments listed in the section entitled "Selection procedure".

Applicants with a qualification gained abroad must also upload:

- the diploma of their qualification: those not yet in possession of the diploma can upload it upon enrolment at the very latest;
- an official translation of the qualification into Italian (not necessary for qualifications gained in Austria or Germany);
- the declaration of equivalent value of the applicants qualification: those not yet in possession of the declaration can upload it upon enrolment at the very latest;
- the valid permit to stay for Italy (only for non EU-citizens legally resident in Italy) – see below.

The declaration of equivalent value (not necessary for qualifications gained in Austria or Germany)*

If you have a qualification from abroad you must certify that your qualification would grant you entry to a similar university course in the country where you achieved this qualification.

For that reason you must:

- apply for the "dichiarazione di valore" (declaration of equivalent value) at the Italian consulate or embassy abroad (the declaration must be applied for as soon as possible since it can often require long processing times);
- upload the declaration upon enrolment at the very latest, together with the other relevant documents.

* In case of doubt, unibz reserves the right to request the declaration of equivalent value also for Austrian and German qualifications.

Application by non-EU citizens

- **If you have a valid permit to stay in Italy** (see article 39, paragraph 5 of decree no. 286 of 25.07.1998: "**permesso di soggiorno**" for work, family reasons, political or humanitarian asylum, religious reasons), you apply directly to the University, as described above and must submit a copy of your valid permit to stay. A permit of stay for study reasons, or a visa for tourism, is not sufficient. If the permit deadline has expired, a renewal request must also be attached. **NB:** if you do not provide the permit for one reason or another, you will be automatically considered a non-EU citizen living abroad and therefore subject to the admission procedure through the Italian authorities acting in your country of origin.
- **If you are resident abroad**, you must carry out the **enrolment procedures both through the Italian authorities** (consulate or embassy) in your country **and directly with the University**. The deadlines imposed by the Italian Ministry of Education, Universities and Research (<http://www.studiare-in-italia.it/studentistranieri/>) must be respected. Should you not follow this procedure with your local Italian consulate, the application delivered direct to the University will be declared null and void. Please note that non EU-citizens resident abroad can apply for one course only!

SELECTION PROCEDURE

In addition to language certification and admission requirements, you must go through a selection procedure in order to be admitted to the course.

The requirements for admission are

- a) the minimum of 6 points. The commission gives up to 10 points for the curriculum. In the case of equal points the preference will be given to the younger student.
- b) language level B2 in English and language level B2 in Italian or German.

In the application portal, you shall:

- Insert, using self-declaration, *your marks for the subjects of your third-last and penultimate school year*. Please note: False declarations are punishable by law. Final marks of your third-last year and penultimate year of secondary school* must be self-declared in the online application form. In the event of self-declared years were concluded abroad, a copy of the relevant school report cards must be uploaded in the portal (for countries other than Austria or Germany, a document with the range of grades containing the lowest pass mark and the highest mark achievable has to be attached);
- Upload the *official translation* of your school report cards into Italian, German or English if needed;
- Upload optionally language certificates as described in point b) under the analogous menu point.

(*) If you have attended a school whose system differs substantially from the Italian system and you do not have the reports with the final marks of the third-last and/or penultimate year of study of your secondary school, the Selection Committee reserves the right to evaluate the possible final reports of the secondary school that refer to years different from the penultimate or third-last.

ADMISSION RANKING LISTS

The Selection Committee will only evaluate the documentation uploaded in the portal by the application deadline and two admission ranking lists will be drawn up: one for EU citizens (and citizens of other countries who enjoy parity of treatment) and one for non-EU citizens resident abroad.

The ranking lists will be published on the website <https://www.unibz.it/en/applicants/ranking-lists/> and are only valid for the academic year for which they have been drawn up. Publication:

For the first application session, likely by 16 May 2017.

For the second application session, likely by 4 August 2017.

If you are high up enough on the ranking list to be admitted for one degree course, but you are not any more interested in, you are required to compile the form for the renunciation and to submit it by e-mail to the Student Secretariat (studsec@unibz.it). This declaration of renunciation cannot be recalled and enables the Student Secretariat to contact the applicants who are next in the ranking list.

The link to the renunciation form is available here: <https://www.unibz.it/assets/Documents/Applicants/unibz-renunciation-of-study-place-en.pdf>

CONFIRMATION OF STUDY PLACE AND ENROLMENT

If you have been admitted to more than one degree courses, you can only confirm a study place in one of them. With this confirmation you refrain from the admission to the other degree courses and lose the right to move up in the other ranking lists.

For enrolment you need to:

1. **pay the first instalment of university fees** (743,50 €)
2. **in the application portal**, choose the course and upload **the payment receipt** (to confirm your study place). Please note that payment will only be accepted once the receipt has been uploaded in the portal - it is not enough just to make the payment, otherwise you will lose your study place!

Deadline for applicants of the 1 st session	25 May 2017
Deadline for applicants of the 2 nd session	24 August 2017, 12:00 midday

If you do not respect this deadline, you will automatically lose your place which will be offered to the subsequent applicant in the ranking list.

If not all study places of the first session are occupied, any free places will be assigned in the 2nd session.

Please note that payment does not allow you to receive student status, which will be acquired upon enrolment. If you have a confirmed study place, there will be no refund of the university fees unless you do not pass your secondary school final exam or, in the event of non-EU applicants resident abroad, you do not receive the necessary documents from the Italian authorities in your country.

3. **in the application portal, enrol online.**

Deadlines	Begin	End
for applicants of the 1 st session	24 July	24 August 2017, 12:00 midday
for applicants of the 2 nd session	4 August	24 August 2017, 12:00 midday

Enrolment is recommended as early as possible, so you have the possibility to upload incomplete documents before the end of the deadline.

If you don't respect the deadline for enrolment, you will lose your study place, which will be offered to the subsequent applicant in the ranking list.

If you have gained your secondary school qualification abroad you must upload (if not uploaded upon application):
<ul style="list-style-type: none"> • secondary school diploma
<ul style="list-style-type: none"> • official translation of the secondary school diploma into Italian (translation is not necessary if the certificates have been issued in the German-speaking area)
<ul style="list-style-type: none"> • declaration of equivalent value of your secondary school diploma, issued by the Italian consulate or embassy abroad (not necessary for qualifications gained in Austria or Germany)*

* In case of doubt, unibz reserves the right to request the declaration of equivalent value also for Austrian and German qualifications.

At the beginning of the academic year you have to submit the originals of the above mentioned documents to the Student Secretariat.

If you are a non-EU citizen resident abroad:
<p>If you are able to be admitted to the admission procedure of the course you applied for (check the admission ranklists), the Italian Authorities in your own country will issue you the entry visa for studies/university: this will allow you to arrive in Italy to sit the Italian-language test (for undergraduate degrees), any entrance tests you have to take, and to enrol for the course that you have pre-enrolled for, after passing the selection procedure. The Italian-language test, which all students applying for undergraduate courses must sit, usually taking place at the beginning of September in Bozen- Bolzano.</p> <p>According to Italian law, within 8 working days of your arrival in Italy, you must have applied for the permit to stay: as soon as you arrive you should go to the Advisory Service and you will be given all the information so that you can start this procedure.</p> <p>Once you will obtain your permit of stay for Italy (permesso di soggiorno), you have to deliver it to the Student Secretariat personally or via e-mail.</p>

Students intending to transfer from another Italian University to unibz have to submit to the Student Secretariat - at the beginning of the academic year - a copy of the transfer application presented at your university of origin.

TUITION FEES

- *Exercise*: practical work in small groups associated to the courses; during the exercise, the students, under supervision of a lab assistant, apply the acquired knowledge to solve practical problems.
- *Internship*: practical work in a company or in a public institution with the aim to obtain working experience and to facilitate career choices.
- *Projects*: activity where students are involved in a research project at the Faculty under supervision of a professor.
- *Maker Lab*: fundamental techniques for the planning, design and realization of artefacts that use microcomputers.

Internship or Project

Two internships and/or projects are planned:

- compulsory internship / project associated to the final thesis
- optional internship / project in the concepts of the "Free choice" credits

The internships and/or projects cannot start before the semester in which they are planned in the curriculum. For further information, please refer to the Study regulations of the Faculty.
