The **deadline** for enrolment and cancellation of enrolment is **three working days before the exam date** (exam date not considered, as well as festivities and Sundays).

Why am I not able to enrol for an exam?

The main reasons at a glance:

- the deadline (3 “free” days before the exam) has expired
- you have not certified the official teaching language of the course at the B1 level – if the course is modular and each module has a different language you need to certify all the languages at B1 level
- the exam is not in your “study career” but only in your “timetable”
- only for project’s or Studio’s exams: you have already sat that exam twice in the same academic year
- you have not paid your tuition fees

IF none of the above-mentioned reasons apply, please contact the Faculty Secretariat **immediately**: design-art@unibz.it
