Project groups are formed considering, if possible, the student's choice. Where this is not possible, the criteria published online are applied.

ATTENTION

- Project choice: Each student is responsible for the correct compilation of his/her own study plan
- Delivery date: by 3rd March 2020 at 12 midday - Faculty Secretariat.

Language's choice

If you intend to follow a specialised language course (not a course of the language center) during this semester, please indicate your first and second choice by placing a cross in the provided field. The Faculty Secretariat will place you in the BA language course following your choice and trying to keep your 1st one when possible.

Remember (not for incoming students): You have to pass one specialised language exam during your study career. This cannot be in the main language of your secondary school. Depending on the course, different certifications are required (B1 for German and Italian, B2 for English).
