THE MASTER PROGRAMME

Master in Economics and Management of the public Sector

Master class: LM-63

This two-year programme, belonging to the class 'Public Administration Sciences' (LM-63), aims to create professionals who will be able to react to the new demands for efficiency, efficacy and economy in complex administrative structures. It is based on a multidisciplinary approach and provides students with transversal analytical skills. The subjects in the organisational-management area are complemented by economic, statistical and legal subjects. The course concentrates on improving students' problem-solving skills through seminars and case studies and also develops interpersonal and communication skills.

Subjects taught

Economics, Politics, Management, Strategies, Leadership, Institutional and Social Communication, Project Management, Financial Sciences, Statistics for the Public Sector, Accounting for the Public Sector, Theory of and Workshops in Public Law and Sources of Law, Law of the European Union and its Member States, Theory of and Workshops in Administrative Law, Information Systems and Communications in the Public Sector. Students are required to undertake an internship.

Career opportunities

The course allows students to decide upon their own educational path by choosing related and integrative activities based on the specific work objectives they may have. There is therefore a distinction between a European or international pathway and a pathway to internal careers. The former focuses on a career inside international or European organisations or firms working with them, in NGOs and in the diplomatic service; the latter concentrates on employment in public administration and firms working with them.

Languages used in Teaching

The languages used in teaching are German, Italian and English. Each course is held in just one of the three official languages although the lecturer reserves the right to use the other two languages for certain parts of the course. However, the examination must be held in the official language of the course.

LANGUAGE REQUIREMENTS FOR ADMISSION

The official teaching languages are **Italian, German and English**, and the following language requirements apply:

LANGUAGE	MINIMUM ENTRY LEVEL	MINIMUM EXIT LEVEL
1st language	C1	C1
2nd language	B2	C1
3rd language	- - -	B1

If you are not able to certify the above-indicated entry level, you cannot be admitted. In order to be admitted, no specific competences in the third language are required. A B1 level in the third language is required to sit exams in that language. In order to graduate you must reach the above mentioned exit levels.

The six levels of the Common European Framework of Reference are:

- A1-A2: Basic Users
- B1-B2: Independent Users
- C1-C2: Proficient Users.

HOW TO DEMONSTRATE LANGUAGE PROFICIENCY

You must first log in to the portal available at <https://aws.unibz.it/exup/en>

Once registered, you can:

- upload your language certificates

- update your personal data.

PROFICIENCY REQUIRED FOR ADMISSION (FIRST AND SECOND LANGUAGE)

You can demonstrate language proficiency in the following ways:

- a) you declare, in the Application Portal, that Italian, German or English was the main teaching language in your final highschool year (corresponds to level C1). If your highschool was one of the trilingual

- secondary schools in the Ladin valleys of South Tyrol, this will be accepted as demonstrating proficiency in both German and Italian (corresponds to level B2 for both languages);
- b) you declare, in the Application Portal, to be awarded an undergraduate or postgraduate degree in Italian, German or English. Graduates of unibz, enrolled before 2011, who have not certified their language proficiency in the three languages, must sit a mandatory language placement test;
 - c) you upload, in the Application Portal, a recognised certificate (see www.unibz.it > Language Centre). You might send your certificates also to the Language Centre - via email in pdf format – or hand them in in person. The language certificates can be handed in during the following periods:

Please note: in case your final title has been awarded by an Italian public establishment, certificates and diplomas must be substituted by self-declarations.

FURTHER LANGUAGE PROFICIENCY (THIRD LANGUAGE)

If you have already acquired a certain level of language competence in the third language of tuition we recommend to certify these competences as described above in letters c) and d), even if they are not an admission prerequisite.

If you have been admitted to your studies in the first session of the selection procedure you can certify your competences in the third language of tuition by:

- an up-load of a valid language certificate during the same periods of time as in letter c), or by
- taking a language exam during one of the sessions listed in letter d)

If you apply in the second session you can choose any period of time listed above in letters c and d).

If you are not able to certify your language competence in the third language of tuition and you are admitted to your studies at unibz you will have to take a placement test. You will receive an invitation to the test by e-mail. According to your actual level you will be assigned to a certain learning path so that you will be able to reach level B1 as soon as possible. Level B1 enables you to participate actively in any kind of course held in the in respective language.

You will be accompanied throughout the whole process of language learning by the Language Centre that offers **mandatory language courses free of charge**.

There will be various mandatory courses throughout the academic year and during the periods that are free of other lessons and exams.

ONLINE APPLICATION

Your application is submitted online through the application portal available at <https://aws.unibz.it/exup/en>

You need to create an account, fill in the form online and upload the documents required as an electronic file. Through the application portal you can also upload your language certificates or register for the language exams.

Application for several courses is allowed. Prospective students excluded in the first session can apply again in the second.

Deadlines	Begin	End (term of exclusion)
1 st Session	10 March 2015	30 April 2015, 12:00 midday
2 nd Session	4 May 2015	24 July 2015, 12:00 midday

ATTACHMENTS

You should upload the required attachments in the portal. In the portal, you can visualize the status of your application and your attachments with the help of colours (e.g. missing documents will be highlighted in red).

Evaluation can then only take place on the basis of the documentation you have presented by the deadline. If your application is incomplete, you will be excluded from the admission procedure.

You have to upload:

- a passport-size colour photo;
- a photocopy of a valid identity card or passport (front/back);
- the attachments listed in the section entitled "Selection procedure".

Applicants with a qualification gained abroad must also upload:

- the diploma of their qualification: those not yet in possession of the diploma can upload it upon enrolment at the very latest;
- an official translation of the qualification into Italian (not necessary for qualifications gained in Austria or Germany);
- the declaration of equivalent value of the applicants qualification: those not yet in possession of the declaration can upload it upon enrolment at the very latest;
EU citizens and citizens given parity of treatment can, as an alternative, upload the Diploma supplement, in the case they have achieved their university title in a Member State of the European Union (or in Switzerland, Liechtenstein, Norway or Iceland). In the Diploma supplement it must be indicated:
 - that the student has achieved at least 180 credit points (ECTS) and
 - that the study title gives access to a Master course.
In case of doubt, unibz reserves the right to request further documents (f.e. declaration of equivalent value)
- the valid permit to stay for Italy (only for non EU-citizens legally resident in Italy) – see below.

The declaration of equivalent value

If you have a qualification from abroad you must certify that your qualification would grant you entry to a similar university course in the country where you achieved this qualification.

For that reason you must:

- apply for the "dichiarazione di valore" (declaration of equivalent value) at the Italian consulate or embassy abroad (the declaration must be applied for as soon as possible since it can often require long processing times);
- upload the declaration upon enrolment at the very latest, together with the other relevant documents.

Application by non-EU citizens

- **If you have a valid permit to stay in Italy** (see article 39, paragraph 5 of decree no. 286 of 25.07.1998: "**permesso di soggiorno**" for work, family reasons, political or humanitarian asylum, religious reasons), you apply directly to the University, as described above and must submit a copy of your valid permit to stay. A permit of stay for study reasons, or a visa for tourism, is not sufficient. If the permit deadline has expired, a renewal request must also be attached. **NB:** if you do not provide the permit for one reason or another, you will be automatically considered a non-EU citizen living abroad and therefore subject to the admission procedure through the Italian authorities acting in your country of origin.
- **If you are resident abroad**, you must carry out the **enrolment procedures both through the Italian authorities** (consulate or embassy) in your country **and directly with the University**. The deadlines imposed by the Italian Ministry of Education, Universities and Research (<http://www.studiare-in-italia.it/studenti stranieri/>) must be respected. Should you not follow this procedure with your local Italian consulate, the application that you delivered direct to the University will be declared null and void. Please note that non EU-citizens resident abroad can apply for one course only!

SELECTION PROCEDURE

In addition to language certification and admission requirements, you must go through a selection procedure in order to get admission to the course.

The following criteria are applied to obtain the final score:

a) Grade point average (max. 80 points)

concluded studies: Final mark, given in xx/30

However, the courses that had been taken into consideration in order to achieve the 6 CP necessary to enter the Master Programme cannot be recognised for the above mentioned points.

In the event of equal scores, the applicant who has the higher final mark for his/her degree (if already awarded) will have priority. If the applicant has not yet been awarded his/her degree, the higher grade point average of the passed exams will be taken into consideration. If scores are still equal, the younger applicant will have priority.

In the application portal, you shall upload:

prospective students who have not yet obtained the required degree must attest that they have acquired at least 150 credit points (ECTS), as established in the didactic regulation of their course of origin, by uploading in the application portal:

A document issued by the university containing the scale of the marks used as well as the contents of the single courses has to be presented as well.

Furthermore a form has to be downloaded from the following link: http://www.unibz.it/en/economics/progs/master/economics_publicsector/admission/default.html. This should be filled in and uploaded in the portal as an *Excel file*.

- a *personal statement letter* in format DIN A-4 of no more than 3000 characters with spaces, in which you explain why you would like to enrol for the degree programme.

ADMISSION RANKING LISTS

The Selection Committee will only evaluate the documentation presented by the application deadline and two admission ranking lists will be drawn up: one for EU citizens (and citizens of other countries who enjoy parity of treatment) and one for non-EU citizens resident abroad.

The ranking lists will be published on the website www.unibz.it and are only valid for the academic year for which they have been drawn up. Publication:

For the first application session, likely by 20 May 2015.

For the second application session, likely by 13 August 2015.

If you are high up enough on the ranking list to be admitted for one degree course, but you are not any more interested in, you are required to compile the form for the renunciation and to submit it by e-mail to the Student Secretariat (student.secretariat@unibz.it). This declaration of renunciation cannot be recalled and enables the Student Secretariat to contact the applicants who are next in the ranking list.

The link to the renunciation form is available here: <http://www.unibz.it/en/prospective/apply/default.html>

CONFIRMATION OF STUDY PLACE AND ENROLMENT

If you are high up enough on the ranking lists to be admitted for more than one degree course, you can only enrol for one of those courses. Once you have enrolled for this course, you lose the right to enrol for another course or to move up in the ranking lists of other courses.

For enrolment you need to:

1. **pay the first instalment of university fees** (743,50 €)
2. **in the application portal**, choose the course and upload **the payment receipt** (to confirm your study place). If you do not respect this deadline, you will automatically lose your place which will be offered to the subsequent applicant in the ranking list.

If not all study places of the first session are occupied, any free places will be assigned in the 2nd session.

Please note that payment does not allow you to receive student status, which will be acquired upon enrolment. If you have a confirmed study place but you do not enrol, there will be no refund of the university fees unless you do not pass your university final exam or, in the event of non-EU applicants resident abroad, you do not receive the necessary documents from the Italian authorities in your country.
