

TRANSFER TO FORMER D.M. 270/2004 COURSES

please submit to the Student secretariat with the form for the enrolment in the years after the first

I (Name/Surname) _____ Matr. _____

enrolled in the bachelor / master course activated according to D.M. 509/1999

course name _____

- opt for transfer to the same course activated according to D.M. 270/2004
- declare that I will not sit exams of the study plan of the course of origin in the new academic year
- apply for recognition of the exams passed
- am aware that the option to the new teaching regulation is irrevocable
- am aware that **language requirements** are necessary for the transfer (**please contact the Language Centre**)

Please note

The transfer is possible in activated years of course only. If, for example, only the first and second year have been activated in the new course, a transfer to the third year is not possible.

I attach:

- confirmation issued by the Language centre attesting the certified language competences
- in case of option for master courses only: Declaration ("nulla osta") attesting that requirements for the admission to the master ("laurea magistrale") are met (please apply for in the Faculty administration)

Note for students opting for the new master of the School of Economics: students who intend to follow an individual study plan, must additionally submit the plan to the Faculty Administration. Exam recognition will be based on the individual study plan.
